

MetaBank® announces partnership with PayQuicker

July 22, 2015

SIoux FALLS, S.D., July 22, 2015 /PRNewswire/ -- MetaBank's payment solutions division, Meta Payment Systems®, recently entered into an agreement with PayQuicker. PayQuicker provides a simple, cost effective payment platform for corporations. They provide a better way for corporations to pay their agents, contractors, channel sellers and others. The Sioux Falls-based financial services company will become the issuing bank for PayQuicker's prepaid card programs.

"We are pleased to partner with PayQuicker," said MetaBank's President, Brad Hanson. "We know this partnership will enable us to grow together in a safe and compliant way, while allowing their partners to leverage the power of the payment to make their businesses more efficient. We especially believe their purpose of providing safe, simple and affordable payments closely aligns with our vision as a company, which is to provide financial inclusion for everyone."

"With MetaBank's knowledge of the industry, experience and volume, they are an ideal sponsor bank to support PayQuicker's continued growth. We are excited to include MetaBank as one of our key partners," said PayQuicker's President, Paul Beldham. "We share the same values, and will complement each other's strengths in serving our customers and partners."
