NEWS RELEASE

908 Devices to Participate in the Stifel 2026 Healthcare Conference

2026-11-04

BURLINGTON, Mass.--(BUSINESS WIRE)-- 908 Devices Inc. (Nasdaq: MASS), a core small-cap growth company focused on purpose-built handheld chemical analysis tools for vital health, safety and defense tech applications, today announced that management will participate in a fireside chat at the Stifel 2026 Healthcare Conference on Wednesday, November 11, 2026 at 4:00 p.m. ET.

A live webcast of the fireside chat will be available in the “Investors” section of the company’s website at: **www.908devices.com**. An archived replay will be available on the company’s website following the event.

About 908 Devices

908 Devices is revolutionizing chemical analysis with its simple handheld devices, addressing life-altering applications. The Company’s devices are used at the point-of-need to interrogate unknown and invisible materials and provide quick, actionable answers in vital health, safety and defense tech applications, addressing the fentanyl and illicit drug crisis, toxic carcinogen exposure, and global security threats. The Company designs and manufactures innovative products that bring together the power of complementary analytical technologies, software automation, and machine learning.
