

NEWS RELEASE

908 Devices to Present at the 32nd Annual Gabelli Aerospace & Defense Symposium

2026-09-01

BURLINGTON, Mass.--(BUSINESS WIRE)-- 908 Devices Inc. (Nasdaq: MASS), a core small-cap growth company focused on purpose-built handheld chemical analysis tools for vital health, safety and defense tech applications, announced it will participate in the upcoming 32nd Annual Gabelli Aerospace & Defense Symposium on September 10, 2026, in New York City.

908 Devices' management is scheduled to present at 3:45 p.m. Eastern Time. The presentation is webcast and interested parties can register for the event through the conference host's website:

<https://gabelli.com/event/gabellis-aerospace-defense-events/>. An archived webcast of the presentation will be available approximately one week after the event in the investor relations section of the company website at: www.908devices.com.

About 908 Devices

908 Devices is revolutionizing chemical analysis with its simple handheld devices, addressing life-altering applications. The Company's devices are used at the point-of-need to interrogate unknown and invisible materials and provide quick, actionable answers in vital health, safety and defense tech applications, addressing the fentanyl and illicit drug crisis, toxic carcinogen exposure, and global security threats. The Company designs and manufactures innovative products that bring together the power of complementary analytical technologies, software automation, and machine learning.
